Α	A small insect that lives in highly organized colonies.	ANT
В	A vehicle with two wheels, pedals connected to the rear wheel by a chain, handlebars for steering, and a seat like a saddle.	BIKE
С	A performer, esp. in a circus, who wears a funny costume and	CLOWN
_	makeup, and acts to make people laugh.	DIMOGRALID
D	Any of various plant- or flesh-eating reptiles of prehistoric times, most of which had long tails and were very large.	DINOSAUR
Е	A very large five-toed mammal having a long trunk and large tusks esp. in the males, living in Africa and India.	ELEPHANT
EE	A beverage made from hot water poured over the roasted ground or crushed seeds of the fruit of certain coffee trees.	COFFEE
F	The blossom of a plant; bloom.	FLOWER
G	A stringed musical instrument with a long neck; a flat, somewhat violinlike body; and usually six strings.	GUITAR
Н	A heavier-than-air craft that is lifted and kept in the air horizontally by rotating blades attached to its top.	HELICOPTER
I	A frozen mixture eaten as a dessert, made with cream or milk, sugar, and flavoring	ICE-CREAM
J	A stinging, jellylike sea creature.	JELLYFISH
K	A plant-eating animal of Australia and nearby islands, that jumps with powerful hind legs, and carries its young in its pouch.	KANGAROO
L	A small, round, often brightly colored and spotted beetle feeding chiefly on small insects and also on plants.	LADYBIRD
М	Any animal or human that is different from a normal shape or character; any creature ugly enough to frighten people	MONSTER
N	The part of the face above the mouth that contains the nostrils and organs of smell and through which a person breathes.	NOSE
0	A sea creature having a soft, oval body and eight tentacles with suckers on them.	OCTOPUS
00	An object used in eating, stirring, measuring, etc., made up of a small, shallow bowl with a handle	SPOON
Р	A member of a police force or body.	POLICEMAN
Q	A female ruler or monarch. The wife of a king.	QUEEN
R	A large-eared, hopping animal, usually smaller than the hare, living in holes in the ground.	RABBIT
S	The fleshy red fruit of a stemless plant belonging to the rose family.	STRAWBERRY
SH	A hard outer covering of an animal, such as of a clam, snail, or turtle.	SHELL
Т	A lightweight, pullover shirt with short sleeves and a collarless round neckline.	T-SHIRT
U	A light, circular cover for protection from rain, snow, or sometimes hot sun, made of a frame of fabric supported by thin ribs that come out of the top of a carrying stick or handle.	UMBRELLA
٧	A mountain or hill, usually having a cuplike crater at the top	VOLCANO
W	An odorless, tasteless liquid compound of hydrogen and oxygen that makes up rain, oceans, lakes, and rivers.	WATER
Χ	A musical instrument consisting of a series of wooden bars of different sizes, usually played by striking with small wooden hammers.	XYLOPHONE
Υ	On the day before this day	YESTERDAY
Z	A horselike African mammal having a special pattern of black or dark brown stripes on a whitish background.	ZEBRA

The disembodied soul of a dead person, imagined as nearly transparent and wandering among the living to haunt them. H The part at the end of the arm in humans, or in other animals, that consists of the wrist, knuckles, fingers, and thumb. I A dome-shaped Eskimo dwelling of blocks of hard snow. IGLOO J The natural fluid or liquid that can be taken, squeezed, or removed from a plant or one of its parts, esp. a fruit. K A large, black-and-white whale that feeds chiefly on fish. L A large, usually yellowish-brown member of the cat family, of Africa and S Asia, having a tufted tail and, in the male, a large mane. M Sounds arranged to have melody, rhythm, or harmony. M A cardinal number, equal to eight plus one. O A rounded, reddish yellow, bitter or sweet citrus fruit that can be eaten. OO The earth's natural satellite. MOON P The basic monetary unit of the United Kingdom Q Making little or no noise or sound. R A bow or arch of colors appearing in the sky opposite the sun and caused by the sun's rays passing through drops of rain. S A scaly reptile with a long thin body that has no arms or legs. SHARK A fish that has a scaleless skin, a wide mouth on the underside of the head, and five to seven gill slits on each side. T A large, powerful, brownish-orange colored cat with black stripes U A subway system.			
C A close-fitting covering for the head, usually having no brim. CAP D A small figure representing a baby or other human being, used esp. as a child's toy. E The organ of sight. EE One of the hard bony parts attached in a row to each jaw, serving to bite and chew food or, esp. in animals, as weapons. F A show where people wears nice clothes and walk to show them. F A show where people wears nice clothes and walk to show them. G The disembodied soul of a dead person, imagined as nearly transparent and wandering among the living to haunt them.
